Dear

**Dental Nurse Led Oral Hygiene Clinics – Focus Group**

We are looking at how we give advice to people with learning disabilities about:

- Keeping your teeth healthy
- Preventing problems with your teeth

We are thinking of setting up clinics which will give advice and help to people so they can keep their teeth healthy.
We want you to come and help us by telling us what you think about our plans.

Please come to a group meeting about this on Friday 2nd March at 10.30am in Meetings Room 1, Ballymena Health and Care Centre, Cushendall Road, Ballymena.

The meeting will probably last for one hour thirty minutes.

We will give you money towards any expenses you have in coming to this meeting.
If you feel that you would like to become involved in this group then please let us know by contacting Lynn Tennant, Clinical Lead Dental Nurse on:

Telephone: 028 25 635 207

Email: lynn.tennant@northerntrust.hscni.net

We look forward to meeting with you.

Kind Regards

Lynn Tennant
